Based on the conference results **the proceedings of the conference will be deposited** in Francisk Skorina Gomel State University repository.

To participate in the conference one must send a filled-in application form, an electronic copy and a paper copy of the article signed by the authors to the address of the organizing committee by **October 10, 2017** inclusively.

Registration fee. The size of the fee and banking information will be stated in the 2nd circular. The registration fee is paid after the author gets informed that the article has been accepted by the committee or at one's arrival at the conference.

Travel and accommodation expenses are covered by the participants themselves. **Working languages of the conference:** *Belarusian, Russian, Ukrainian, and English.*

The paper copy of the article must be signed by all the authors. The electronic copy is sent to the following e-mail: **konf_geologi@mail.ru**. The

names of the files with the application form and the article are to represent the surname of the first author plus letter **f** or **art** for the form and the article respectively: **Ivanov_f.doc, Ivanov_art.doc**.

The authors take the responsibility for the uniqueness and accuracy of the data and citations in the article in accordance with the law of the Republic of Belarus. The manuscripts will be refereed. The manuscripts are not returned to the authors.

STYLE GUIDELINES FOR THE ARTICLES

The articles must contain 5 full printed sheets (A4) including the abstracts in the Russian (Belarusian, Ukrainian) and English languages (14.000 characters). The electronic copy is to be saved as a **'doc'** file in MS Word 97-2003 using Times New Roman font 12 pt. The size of the margins is: top, right, left – 2,0 cm, bottom – 2,5 cm. Paragraph indentation is 0,63 cm. Line spacing – single. References are put in square brackets in the form of a number (for ex., [5]) that corresponds to the number in the reference section. The references list format should meet the guidelines of the Higher Attestation Commission of Belarus. Under each figure following a line gap a caption is provided, in bold font 12,5 pt, aligned center. Each table has a caption over it (one line gap between), aligned "justified", with paragraph indentation.

At the top of the first page, aligned left, the UDC is placed. One line is left blank, then the initials of the name and the patronymic (if applicable) and full surname of the author(s) are printed in capital letters, aligned center. Following another blank line the title of the article is situated, in bold capital letters, aligned center. Following a blank line the name of the organization to which the participants belong, their town, country and e-mails are printed in italics, aligned center. After a blank line the abstract in italics with paragraph indentation is situated (5 lines max.) Following two blank lines the text of the article is printed, with paragraph indentation. After two blank lines the word "References" is put in bold type, aligned center. Following one blank line the reference list is printed, arranged alphabetically by author's surname. After one blank line the title of the article, full surname with name and patronymic initials of the author(s), and the abstract (5 lines max.) in the English language (if

English was originally used for the article – in Russian) are printed in italics with paragraph indentation.
