PS: WHY US?

In addition to a rich and interesting educational program, the Summer School offers you an active acquaintance with the culture and sights of Belarus. Also, you will have enough free time to get to know the country and its hospitable people on your own.

Welcome to Belarus

After all, Belarus got in the top 10 countries to travel in 2019, according to Lonely Planet. The authors of the guide note that Belarus has become more attractive for a number of reasons, inter alia, for visa facilitation. [For more information visit the official site.](#)

30 days VISA-FREE

According to visa policy in Belarus, if you fly to Minsk airport from any country except Russia & your stay will last up to 30 days (including arrival & departure dates), the visa will be stamped to you free of charge at Minsk airport!

This concerns 74 countries' citizens. The details and [the full list of the countries](#) see on the official website of the Ministry of Foreign Affairs of the Republic of Belarus.

If your country is in the list, you don't need an invitation to enter the country. You'll only need a valid passport (it must be valid 6 months after your trip to Belarus), a return ticket and medical insurance that must be purchased at Minsk airport upon arrival (before passport control), it costs a couple of euros, the insurances from your countries might be not valid for our passport control.

If your country is not in the list or you prefer another way to travel (apart of air flight), we can prepare an invitation for you. And, most likely, you will get your visa for free.

Now that you know us better –

We are looking forward to your applications!

Добро пожаловать в Беларусь!
